

GLENDALE PREPARATORY ACADEMY LEGACY GIFT PROGRAM

Last June, Glendale Preparatory Academy completed an extensive construction project, adding two new buildings (containing 6,400 square feet of classroom and administrative space), an upper campus courtyard, and a new private road. This project has improved the resources available to continuing families and enabled us to extend a Glendale Prep education to a larger student community.

These wonderful additions represent a significant financial investment in making this campus our long-term home. Glendale Prep made this investment because of the confidence it has in its founding families. We are now asking for you to assist us by participating in our Legacy Gift Program. Please see below for the Sponsorship Opportunities available in the program and the back side of this form for donation instructions.
